### About NCUA

The National Credit Union Administration (NCUA) is the independent federal agency that charters and supervises federal credit unions. NCUA, backed of the full faith and credit of the U.S. government, operates the National Credit Union Share Insurance Fund (NCUSIF) insuring the savings of 80 million account holders in all federal credit unions and many state-chartered credit unions. During the 1990s and into the 21st century, credit unions have been healthy and growing. Credit union failures remain low and the Share Insurance Fund maintains a healthy equity level. The National Credit Union Administration (NCUA) is comitted to maintain a safe environment for over 80 million account holders in all federal credit unions and many state-chartered credit unions. Protecting the security of holders account and of the Federal Credit Unions (FCU) network is our primary concern.
