

Home Construction Loans

BUILD IT WITH WESTCONSIN!

When it comes to **home construction loans**, every application has a story behind it. We want to hear your story, and find out how we can help make your dream happen with one of our home construction loans.

THE BASICS

Home construction loans typically require interest-only payments during the construction process. The money is drawn in increments that follow along with the construction schedule, with interest charged on the total disbursed to date. However, there are several possibilities when it comes to home construction loans. We invite you to visit us to explore what's best-suited for you.

A TRUE PARTNER

At WESTconsin, we service every loan for the life of the loan. Consider us a partner for the long haul!
