UW-River Falls Alumni Platinum Visa

A CREDIT CARD THAT WORKS FOR THE FUTURE

Developed by the University of Wisconsin-River Falls Foundation and WESTconsin Credit Union, the UW-River Falls Alumni Platinum Visa is an easy way to give back to the

university. Each time cardholders use their cards, WESTconsin returns a percentage of each purchase to the UW-River Falls Alumni Association for funding Student Scholarships.

REWARDING FOR YOU

If you are a UW-River Falls alumni, student, faculty, or staff member, you have the option of requesting the UW-River Falls Alumni Platinum Visa credit card.

The low-rate card offers the same great benefits as the WESTconsin Platinum Visa credit card, including the uChoose Rewards program, Verified by Visa, secure access to credit card through WESTconsin Online and no terminal surcharge when using credit card at any WESTconsin ATM.

REWARDING FOR OTHERS

Since 1998, cardholders have used the UW-River Falls Alumni Platinum Visa credit card to generously give more than \$96,000 back to the university. Each year, unrestricted gifts make a critical difference in the lives of students and faculty. Use the credit card that helps benefit the University of Wisconsin-River Falls community!
