Limits

Limits may be established on the dollar amount and/or number of items or deposits. Default deposit limits are \$2,000 per item, \$5,000 per day and \$10,000 per rolling 30 days. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit or the service may be denied.

Eligible items

You agree to scan and deposit only checks. If an ineligible item is submitted through Mobile Deposit and is discovered we may immediately and permanently deny the service. We may also deny the service on all existing and future accounts. You agree you will not use Mobile Deposit to deposit:

- Checks payable to any person or entity other than you (i.e., payable to another party and then endorsed to you).
- Checks that contain evidence of alteration, or that you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check is drawn.
- Stale dated checks, money orders, cashier's checks, US savings bonds, Travelers Cheques, convenience checks or other items we deem unacceptable for mobile deposit.

Requirements

Each image must provide all information on the front and back of the original check at the time presented to you by the drawer, including, but not limited to, information about the drawer and the paying bank that is preprinted on the original check, MICR information, signature(s), any required identification written on the front of the original check and any endorsements applied to the back of the original check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. Your endorsement must include your signature and "for mobile deposit". Checks that are made payable to a business, the endorsement must include the business name and the signature of the authorized signer on the account and "for mobile deposit". If the business has purchased a stamp with the business name, then the stamp and the words "for mobile deposit" will suffice. If a noted POA is signing in place of member, then the POA must sign both the member's name and the Power of Attorney's name and "for mobile deposit". If the check is properly endorsed and the check states "check here if mobile deposit" and the box is checked, then the words "for mobile deposit" are not necessary.

Receipt of Deposit

All images processed for deposit through Mobile Deposit will be treated under the Membership and Account Agreement with us and will be subject to all terms of the Membership and Account Agreement. When you successfully submit an image you can check the status of the image within the Mobile App. Status pending means the item is under review, accepted means the item will be processed, and rejected means the item was rejected and a reason will be provided. We shall not be deemed to have received the image for deposit until we have confirmed receipt through the Mobile App to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

Following receipt, we may process the image by preparing a "substitute check" or clearing the item as an image.

We reserve the right, at our sole and absolute discretion, to reject any image for remote deposit into your account. We may email you a notification of your rejected images, providing we have a current email address for you on file. It is your responsibility to make sure your email and other contact information is current.

Original checks

After you receive confirmation that we have received an image, you must securely store the original check for at least 30 calendar days after transmission to us and make the original check accessible to us at our request. Upon our request from time to time, you will deliver to us within 10 calendar days, at your expense, the requested original check in your possession. If not provided in a timely manner, such amount will be reversed from your account. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. After destruction of an original check, the image will be the sole evidence of the original check.

You agree that you will never re-present the original check. You understand that you are responsible if anyone is asked to make a payment based on an original check that has already been paid.

Returned Deposits

Any credit to your account for checks deposited using Mobile Deposit is provisional. If original checks deposited through Mobile Deposit are dishonored, rejected or otherwise returned unpaid by the drawee bank, or are rejected or returned by a clearing agent or collecting bank, for any reason, including, but not limited to, issues relating to the quality of the image, you agree that an original check will not be returned to you, but that we may charge back the amount of the original check and provide you with an image of the original check, a paper reproduction of the original check or a substitute check. You will reimburse us for all loss, cost, damage or expense caused by or relating to the processing of the returned item. Without our approval, you shall not attempt to deposit or otherwise negotiate an original check if it has been charged back to you. In any case of the above mentioned a service fee for the return deposit may be assessed to your account.

We may debit any of your accounts to obtain payment for any item that has been rejected or returned, for any adjustment related to such

item or for any warranty claim related to such item, whether or not the rejection, return, adjustment or warranty claim was made timely.

You make the following warranties and representations with respect to each image:
